

# Prince Alfred College Year 5

## Eco-Adventure Camp *(Cultural Perspective)*

Scotts Creek Outdoor Centre  
2009

February 2009

Dear Parents,

Your son will soon be taking part in the year 5 Cultural Perspectives Camp at Scotts Creek. This program examines the basic ecological concepts of the mallee and river environments. Students will have the opportunities to explore the way the land and river was used by Indigenous people before and after European settlement. Taking part in an Aboriginal journey and listening to dreamtime stories around a campfire, students will also have the opportunity to do some aboriginal art work. Students will be introduced to canoeing and minimal impact camping in conjunction with swimming and water safety in the river environment.

Scotts Creek is located 7km South of Morgan on an anabranch of the Murray River. It provides a wonderful opportunity for outdoor and environmental activities. We hope that your sons' experience at Scotts Creek is both enjoyable and valuable.

To help your son prepare for this camp, please note the following:

*Clothing* – see the attached sheet for a list of clothing. Make sure clothing is included which can get wet or dirty. Please see that all things listed are brought along and suitably named.

*Medical-Aquatic-Consent Forms* – Please fill in the update sheet and return as soon as possible. Please inform the class teacher of any current medication or special concerns. Medication required on camp must be clearly named and instructions stated specifically.

Please do not allow your son to bring mobile phones, MP3 players, electronic games, lollies or money. We would like to get away from our normal high-tech style of living for a couple of days. We encourage your child to bring a musical instrument.

Our Outdoor Education Staff are looking forward to working with your son. We believe the program is an exciting learning experience that will be enjoyed by all. We trust that boys will take this opportunity to strengthen existing friendships and establish new friends. Cooperation, consideration and respect for others and our environment are central to the success of this camp.

Please contact me personally on 8540 2231 (Scotts Creek Outdoor Centre) or [pnoble@pac.edu.au](mailto:pnoble@pac.edu.au) if you require any further information.

Yours sincerely,

Phil Noble  
Coordinator – Outdoor Education

## Intended Program

Prince Alfred College <b>Year 5</b> Eco – Adventure: Cultural Perspective 2009				
	<b>Day 1</b>	<b>Day 2</b>	<b>Day 3</b>	<b>Day 4</b>
7:00am		Wake up Fishing	Wake up Pack up	Wake up Fishing
7:45am		Duties	Duties	Duties
8:00am	8.30am depart Dequetteville Terrace.	<b>BREAKY</b>	<b>BREAKY</b>	<b>BREAKY</b>
9:00am		Activity Rotation	Activity Rotation	Clean up
10:00am		a) Aboriginal Journey b) Aboriginal Art c) Canoeing	a) Aboriginal Art b) Canoeing c) Aboriginal Journey	Mission Impossible
11:00am	Arrive SCOC			
12noon	Settle into dorms	Free time	Free time	<b>LUNCH</b>
12:30pm	<b>LUNCH</b>	<b>LUNCH</b>	<b>LUNCH</b>	Depart SCOC
2:00pm	Activity Rotation	Teacher Time	Teacher Time	Arrive PAC
3:00pm	a) Canoeing	Activity Rotation	Challenge by Choice	
4:00pm	b) Rock Wall	a) Canoeing	- Sport	
4:30pm	c) Orienteering	b) Aboriginal Journey c) Aboriginal Art	- Rock Wall	
			- Canoeing	
5:00pm	Free Time/Fishing	Free Time/Fishing <b>Set up Tents</b>	Free Time/Fishing	
5:45pm	Duties	Duties	Duties	
6:00pm	<b>DINNER</b>	<b>DINNER</b>	<b>DINNER</b>	
7:00pm	Create a camp plate	Dreamtime stories around the campfire	Escape from Kamp Krusty	
7:30pm				
8:00pm				
8:30pm	Reflection Time	Reflection Time	Reflection Time	
9:00pm	Lights Out	Lights Out	Lights Out	

## Dates & Times

The bus will depart from Dequetteville Terrace at 8.30am on the first day of the program. Students are asked to arrive at 8.00am.

- 5 C** Tuesday March 31<sup>st</sup> – Friday 3<sup>rd</sup> April (arrive back @ PAC 3pm)  
**5 F** Monday 6<sup>th</sup> April – Thursday 9<sup>th</sup> April (early departure from SCOC, arrive back @ PAC 1pm)

## **General Aims**

---

Each Program has specific learning outcomes but in broad terms we aim to develop in students:

- Increased understanding of ecological systems
- The ability to problem solve and make choices about their lifestyles
- Social understanding in a residential situation which will help boys develop tolerance and understanding
- Skills which will enable boys to go safely into natural areas with minimum impact and maximum satisfaction and appreciation
- Skills and abilities to make informed choices about sustainable environmental development
- Develop a broader understanding of aboriginal culture
- Independence
- Self confidence
- Actively participate in all activities

## **Specific Objectives**

---

Students should be able to:

- Demonstrate skills and knowledge in aboriginal hunting and art work.
- Demonstrate skills and knowledge in navigation, canoeing, minimal impact camping and traverse climbing
- Demonstrate positive attitudes and behaviour towards the natural environment
- Develop awareness of potential hazards and risks in the outdoors, and take the necessary precautions
- Demonstrate skills needed to live and travel with minimum impacts on outdoor environments
- Demonstrate a sense of responsibility towards other people, and be aware of the need for group members to rely on each other in the outdoors

## **Catering**

---

Scotts Creek provides a large diversity of foods during the time that your son is on camp. The menu is well balanced, nutritional and most importantly attractive to children. Please outline any specific dietary requirements on the consent form.

## **Accommodation**

---

The campsite contains facilities that consist of three sub-divided dormitories, each containing 20 beds. Beds are bunk style with comfortable mattresses.

During campout programs students will be accommodated in lightweight camping tents that provide protection against insects and inclement weather.

## **Communication Systems**

---

The campsite has a direct phone line for emergency communication. On trips away from the residential camp, Next G mobile phones are used for emergency communication.

## **Mosquitoes and Ross River Fever**

---

Living and working near a body of water such as Scotts Creek and the Murray River always brings the possibility of mosquitoes being present around the campsite. There is no effective way of ensuring a mosquito free environment and therefore, as there is no guaranteed safe means of co-habiting with mosquitoes, it is recommended to staff and students that they take as many practical preventative measures as possible. We recommend the following:

- Wear long sleeve shirts and pants particularly at dusk
- Use tropical strength repellent

## **Staff**

---

PAC Outdoor Education Staff are highly qualified and experienced outdoor instructors. Staff are trained in Wilderness First Aid and are familiar with the Scotts Creek environment

Phil Noble – Coordinator of Outdoor Education  
Belinda Beisiegel – Outdoor Education Teacher  
Micha Jensen – Outdoor Instructor  
Chris Detmar – Cook/outdoor Instructor  
Tim Maeder – Outdoor Instructor

## **Daily Duties**

---

One of the many activities that students participate in whilst on camp is the care and maintenance of the space in which we live. Students come to realise that these jobs are not chores, but activities that are vital to the care and well being of the campsite and the people we are camping with.

Initially, individuals are responsible for the tidiness and cleanliness of their own bed and personal gear. The members of each dormitory are responsible for sweeping and cleaning their room and surrounds. This includes emptying bins and ensuring that the lawn areas are free of litter.

During the camp, boys will be expected to complete individual duties. These tasks are completed on a rotational basis, ensuring everyone gets a fair and equal opportunity to have input into the smooth running of the camp. At Scotts Creek, the old proverb "Many hands make light work" is evident.

## **Safety Considerations**

---

The staff at Scotts Creek are very keen to ensure the complete safety of the students at all times. Students can aid the staff and be responsible for their own well being by following these "common-sense" rules.

The Murray River represents a unique, wild environment in which to adventure. There are however dangers inherent with this area. The river tends to be slightly cooler than the sea and swimming pools, has a fluctuating water depth and has numerous underwater obstructions. All of these can aid in injuring swimmers. With this in mind, the following rules have been developed

- Boys will be expected to wear Personal Floatation Devices in the water at all times.
- Boys will be expected to wear shoes whilst involved in all aquatic activities and around camp.
- Boys can only go down to the landing and water front area if a SC staff member, or a supervising teacher accompanies them.
- Boys must never dive from the bank.

## **Boundaries**

---

One of the features of Scotts Creek is its areas of open space. These areas are sufficient for all of the program activities. There should be no reason for students to leave the Centre, unless under the direct supervision of a staff member.

## **General Camp Expectations**

---

We want the camp to be fun enjoyable and safe for everyone. Therefore all school rules apply. We ask boys to:

1. Listen carefully to and follow instructions given by all staff.
2. Be courteous to all adults and boys.
3. Allow everyone to feel safe.
4. Respect other people's property.
5. Be responsible for your own belongings.
6. Stay on camp property unless with a staff member.
7. Take care of the natural environment.

## **Fire Extinguishers**

---

Fire Extinguishers are an important and expensive piece of safety equipment. The Centre has numerous fire extinguishers, placed strategically in case of emergency. Students must not tamper with these devices.

Boys involved in tampering or improper use of the fire extinguishers will be billed for their repair or replacement.

*Any boy who chooses not to follow these essential rules and expectations will be sent home at their parents' expense*

## **Emergency Procedures**

---

In the unlikely event of a serious accident or incident the Centre has an extensive and detailed Emergency Procedure plan.

In the event of a fire at the Centre, a long and continuous siren will be sounded. Students and staff are expected to move to the meeting area immediately. A roll will be called to account for every member of the camp. Once this has been completed the staff of Scotts Creek have specialised tasks to bring the emergency under control quickly.

The staff at Scotts Creek staff have developed expeditions that match the boys' level of experience. The Staff are trained and qualified in all outdoor activities, and have means to evacuate students if the need arises.

## **Living Lightly at Scotts Creek**

---

- Turn off the light when you are the last one to leave
- Have short showers
- Use the rainwater tanks for drinking only
- Turn the water off when brushing your teeth

All these help us to use less energy and materials that lesson our impact on the earth.

ACT LOCAL

THINK GLOBAL

REDUCE, REUSE, RECYCLE

## **Living Together**

---

Respect for each other is important in a community living together and in a camp environment. It is important to respect the privacy of others. This means that the dormitories of other boys must not be entered at anytime and that personal equipment of others must not be tampered with.

## **Gear and Equipment List**

---

### Around the camp....

- Broad brimmed hat
- Two pairs of shoes
  - An old pair for aquatics
  - A comfortable pair for around the Centre and camp
- Three sets of underwear
- Three sets of socks
- Two pairs of shorts
- Three T-shirts
- Bathers/ board shorts
- Track pants
- Warm polar fleece or woollen jumper
- Towel
- Sunburn cream, lip balm
- Waterproof jacket (parachute style material not appropriate)
- 2 L Water bottle
- Soft bag/small backpack for carrying clothes and equipment.
- Personal First Aid Kit\*

*\*Personal first aid kit includes tissues, band-aids, adhesive tape, insect repellent. Personal medication can be carried and administered by the students (asthma puffer), or by the staff (antibiotics), at the parents' discretion and should be noted on the consent form.*

### At night...

- Small, compact torch with spare batteries
- A compact, warm sleeping bag (Bring extra blankets if you don't think yours is warm enough)
- Beanie
- Pyjamas
- Pillow & Pillowcase
- Toiletries (Toothbrush, toothpaste, soap)

### Items we encourage you to bring...

- ✓ Fishing Gear (hand reels are more manageable for students)
- ✓ Camera
- ✓ Musical Instrument
- ✓ Binoculars

### Items to leave at home...

- ✗ Electronic equipment: Game boy, MP3 players, mobile phones etc.
- ✗ Extra junk food (chips, soft drink, lollies etc)
- ✗ No pocket money is required whilst you are at the Centre (there is no where to spend it!)

**CONSENT FORM FOR CAMP EXCURSION**  
*\* Please use block letters when filling out this form*

As a Parent/Guardian of: .....(Student's Name)

I: .....(Your name)

Have read all information contained in the booklet and give consent for my son to participate in the Year ..... Outdoor Education Program.

Year 3: I give consent for my son to participate in all activities including **CHALLENGE HILL** at that camp.  
 Year 4: I give consent for my son to participate in beach and aquatic activities at that camp  
 Year 5 - 8: I give consent for my son to participate in canoeing & aquatic activities including **CAPSIZING**.

At: Woodhouse Campsite Toc H / Scotts Creek / (**Please circle**) from..... To..... (**Insert dates**)

Details of planned activities; transport arrangements and supervising teachers/instructors are provided in the program booklet.

**Agreement**

- I agree to delegate my authority to supervising teachers/instructors. Such supervisors may take whatever disciplinary action they deem necessary to ensure the safety, wellbeing and successful conduct of the students as a group and individually.
- In the event of an accident or illness and contact with me being impractical or impossible, I authorise the teacher-in-charge to arrange whatever medical or surgical treatment a registered medical practitioner considers necessary. I will pay all medical and dental expenses incurred on behalf of my child.
- I have previously verified the accuracy of medical information held by the school, and will update that information if there is any change prior to the camp. I also consent to my child's doctor or medical specialist being contacted in an emergency.
- The information given is accurate to the best of my knowledge.
